People may choose to mask at any time. People with [symptoms, a positive test, or exposure](#) to someone with COVID-19 should wear a mask. Masks are recommended in indoor public transportation settings and may be required in other places by local or state authorities.

If you are immunocompromised or high risk for severe disease, learn more about [how to protect yourself](#) with additional CDC recommendations for each COVID-19 Community Level.

The CDC COVID-19 tracker shows that Hillsborough County has **medium** COVID-19 Community Levels. The CDC states that facemasks are optional in counties with **low or medium** COVID-19 Community Levels in public, indoor settings.
