- **Time to Beat** is a numbered sequence designed for flow that allows the dog to work at full extension. Time to Beat is scored Faults, then Time. ER6
- **The Minuet** is a simple sequence run over and over again as a continuous loop until the expiration of time, earning points for each sequence completed. Minuet is scored Points, then Time. ER2

For more information on these games the *Book of Agility Games* is available for no cost on the new TDAA web site. Judges reserve the right to adapt any game played. Day of show rules supersede all others.

Owners/handlers are responsible for entering their dog at the proper height division, both the dog's Measured Jump Height and the height at which they want their dog to jump at the trial. Per TDAA rules, dogs may be entered at any jump height desired; however, the scoring height continues to be the dog's Measured Jump Height. Dogs jumping at a height other than their Measured Jump Height will earn qualifying legs and all TDAA titles. The judge reserves the right to measure dogs entered in any trial. Food must not be in the handler's hand nor dropped on the floor.
