The Dog Training Club of Tampa, Inc.

Application for Membership

6620 Garsh Loop
Tampa, FL 33614
www.dtct.org

The Dog Training Club of Tampa, Inc. is a 501(c)(3) nonprofit, all volunteer organization that has promoted responsible dog ownership since 1959. Members share a common interest in training dogs for companionship, for fun or for competition in dog sports. **DTCT** members participate in a community that learns and teaches following balanced dog training methods. Benefits include receiving discounts on classes and club sponsored events, having voting rights on club matters, access to training spaces, coaching from experienced fellow members, and joining in social activities.

The membership process includes having this application read at two general membership meetings. This gives applicants an opportunity to meet members and to introduce themselves. After the second reading, members will vote to approve the membership request. After this approval, you will have all privileges of a member, and **your sponsors will become your mentors** as you begin to participate in club business and to volunteer.

The annual membership cost is \$35 for an Individual membership and \$45 for a Household membership. **NOTE: Applications submitted after July 1 carry half the annual cost. That's \$17.50 Individual and \$22.50 Household.**

DTCT sponsors various events throughout the year; for example, agility, obedience, rally, and barn hunt trials; seminars; and sports run-thrus. We have a large facility to clean and maintain. We pay taxes and utilities. We purchase and maintain equipment for training and for events. The proceeds from events and the many training classes we offer help to fund those expenses, but do not cover them fully. We rely solely on members to volunteer their time and talents by such activities as actively participating on club committees, attending meetings and participating in decision making, teaching or assisting with classes, cleaning and maintaining the building and equipment, volunteering at events, donating through financial or material support, and so on. There are no paid positions for club members; everything happens through members who volunteer.

Volunteering keeps the club functioning and, because it is rarely done alone, builds relationships. There are also tangible benefits. Class instructors and assistants earn vouchers that can be exchanged for free training. Volunteers at events earn credits in a token economy system called DTCT Bucks, and those Bucks can be exchanged for training or for cost reductions when entering DTCT events. **Your sponsor/mentor can and will** give you all the details about those benefits.

Applications may be submitted by mail at the above address, dropped off at the club, or scanned or screenshot and emailed to membership chair Sue Allen at sueallendtct@gmail.com. A complete application will include 1) payment by check to accompany this form or by PayPal on the website above, 2) all questions answered plus two member sponsor signatures, and 3) a rank-ordered selection of three or more volunteer opportunities or interests.

Personal Information

First Name _____ Last Name _____

Street Address _____

City/State/Zip _____

Preferred Phone _____ Alternate Phone _____

Preferred Email Address _____

Occupation (if retired, add former occupation)

Experience with Dogs
